Memo

Several meetings preceding in the City of Bangalore presented a printed Memorial in July 1894 complaining against the levy of Mohatarfa tax on the Houses as well as Looms.

Serial (Revenue) 150-3d

(2) In forwarding the petition to the President of the Bangalore City Municipality for his remarks, it was observed ~~that vide para 3 (II) of the Chief Commissioner dated 2nd February 1880, [illegible] Looms were directed to make~~ an enquiry was made as to whether such reductions in the Loom tax as might be considered necessary with reference to the fact of the men having to pay a house tax also, were made as directed in para 3 (II

of 2nd February 1880 and ~~[illegible]~~ pending further orders ~~[illegible]~~ either the House tax or the Loom tax, whichever might be higher but not both the taxes ~~[illegible]~~ ordered ~~to be~~ levied. The Dy Comrs of the remaining Districts were also requested to report whether both the House and Loom taxes were levied in all the municipalities or only one; (2) if both are levied whether loom tax is levied at full rates or reduced rates and whether any relief was called for and to submit a statement shewing the two taxes levied in each Municipality and the sacrifice of Revenue involved in levying either of the taxes,

whichever might be the highest

3. The matter was laid before the Municipal Board of Bangalore, who resolved to give up the Loom tax in view to afford relief to weavers, who live from hand to mouth, in preference to the House tax, though the sacrifice involved in the former case is Rs 6701 or Rs 4282 more than in the latter case. The President states that the order of Govt to levy only one of the tax was not given effect to, as the question of giving up either of the taxes was deferred in view of the loss that would accrue to the Municipality and it never came before the Board.

(4) The President of the Mysore City municipality reports that under the old Mohalawise rules

The Dy. Comr of Bangalore recommends the abolition of Loom tax in view to afford relief to a class of petty handicraft men, who live in a chronic state of poverty and considers that the loss of revenue thereon involved could be recouped by the remission of house tax and the levy of Shop tax from such weavers, who weave on their own account and sell their manufactures in their own houses. According to the Dy Comr Docket, the loss of revenue involved by the abolition of Loom tax is Rs 3231, which represents the difference between Loom and House taxes, but the correct amount is Rs 3925.

states that no concession was made in favor of the weavers in accordance with the Chief Comm's Proc No 5816-87 dated 2/2/88 and recommends that Loom tax be reduced to half of the present rates, on the ground that weavers are in a very impoverished condition having to compete with the foreign goods and those manufactured in the Mills established in different parts of the country.

House tax being levied as heretofore,

The Dy Comr of Tumkur states that in all the Municipalities both the House and the Loom taxes are levied in full from the weavers and doubts whether in consideration of the general impecunious condition of the Municipalities any of these taxes can be removed from

the statement submitted by the Dy Coms it would appear that Holavanahalli and Bellary realize no income from Loom tax and that derived by the remaining municipalities except Tumkur, Kortagere, Cheekmagalur and Chennagiri, is ~~[illegible]~~ small ranging from ~~[illegible]~~ 1 to 96 Rs.

The Dy Coms of the Mysore District reports that looms exist only in the marginally noted 4 municipalities where both House and Loom taxes are levied, reduced rates being fixed for the former. He considers that weavers as a class deserve relief and ~~that it would be good~~ is in favor of the abolition of the Loom tax.

The Dy Comr of Hassan reports that in no municipality in the District is Loom tax exercised on the score of House tax imposed or vice versa, but where 2 looms exist, the second one is charged at half the rate of the first. A reference to the statement published by the Dy Comr would show that no looms exists in 4 municipalities, and the revenue from Loom tax in Arkalgud and Hole Narsipur is Rs 145 & 537 respectively, that in other municipalities, barring them 100 Rs ranging from 1 to 92 Rs.

Kadur Dy Com's Camp cto 373 of 21/12/94

At Birur, Yedahalli and Sringeri there are no looms at all. There exist only a small number of looms existing in Chickmglur and Kadur, & small. where weavers have not complained against the levy of both Loom and House taxes charged at full rates. In Tarekere and Ajjampur both the taxes were likewise charged, leaving out those portions of houses occupied by looms in valuing houses for house tax. The Dy Com considers that no relief is called for

cto 5.83 of 7/2/95

The Dy Com of Chitaldurg states that except in Chitaldurg and Jagalur where Loom tax is levied at reduced rate

rates in consideration of the payment of House tax also, the Loom tax is levied at full rates in the Municipalities of the District The Dy Comr considers that the loss sustained by ~~the~~ giving up the ~~abolition of~~ House tax and collecting the Loom tax alone would not amount to much while a real grievance would be redressed.

An abstract shewing the income realized from House and Loom taxes is given below —

(10) The house tax under this arrangement will be levied by the Municipalities at uniform rates on all the houses without distinction or exemption. But buildings are the property of Govt and those which are devoted exclusively to religious or charitable purposes, should be exempt from the tax.

I. The house tax in municipal towns shall be levied on all houses without any exemption of any kind whatsoever at the rates laid down in Pro's of 27/9/79

(IV) With regard to the chowkidari on Looms and on petty artizans, it may be desirable to give it up altogether hereafter, but until some general arrangement could be made on the subject for the whole Province, the loom tax must also continue to be levied in the municipal towns, but such reductions may be made at once in the rates in the municipalities as may be considered necessary with reference to the fact, of the men having to pay a house tax

clo exemption should be allowed in regard to House tax in municipal towns, but the loom and shop taxes not having yet been brought under revision, any exemptions from them hitherto enjoyed may be continued for the present.

Under Secs 64 and 65 of the Bangalore Municipal Regulations only buildings of less than 14 Rs value and military and Public offic buildings and those set apart for the personal occupation of H H the Maha Raja of Mysore can be allowed exemption and not-others.

From the above it would appear that under the existing orders no exemption from House tax can be allowed —

The abolition of Loom tax was discussed as subject- ^ question of H.

The opinion of the sub committee appointed by the Municipal Board of Bellgaum in regard to the ~~introduction~~ levy of Octroi duty on foreign piece goods reported as follows. –

"The loom tax is ~~one~~ one which impedes the progress of a very wholesome industry, and industry which deserves every encouragement, giving as it does employment to many a poor handicraftsmen. It is besides an unpleasant tax in as much as it is a direct one. We are of opinion that it should be abolished and that the 2 per cent duty levied on foreign goods be also levied on the goods manufactured in the Province."

Submitted for orders

dated 2- the 1st Cr.

I regret the delay in dealing with this file.

The Resolution of the Bangalore City Board is not quite in accordance with para 3 of the Order of Govt. dated 29/9/94. The President was asked to levy the higher of the two taxes pending further orders. He did not give effect to that order. And now the Board proposes to abolish the town allowellies which means a sacrifice of annual revenue to the tune of about 7000 Rs, while if this tax were retained and the house tax waived, the loss of revenue would only be about 2500 Rs. This is a most important & serious matter & the Board ought not to have disposed of it off hand in the manner they have done. If the town tax is allowellies given up in the Bangalore city all other Municipal Townships in the State will also immediately or non immediately would become entitled to a

similar treatment. The opinions on this point are divided. On the whole, the best solution of the difficulty would be to make absolute, and to apply throughout the whole Province, the order referred to above namely that the higher of the two taxes should be levied, & the other given up. Room tax as a tax cannot at present be altogether abolished. Wherever it is lower than house tax, it need not be levied. It is possible that the special remission of Women's houses which the Sanitary Board contemplates might in some cases result in the house tax being higher than the room tax, & that on the whole it might bring in an increased revenue from that item. This however cannot justify the total abolition advocated by the Board.

To

The Chief Secretary to the Dewan
of Mysore.

Sir,

Adverting to para 4 of the Government Proceedings No. 5815-24 L.F. 168-93 dated 2nd October last, anent the levy of Mohalurfa tasc from weavers on their houses as well as looms, I have the honor to state that in the minor Municipalities of this District both the loom and house tasces are levied, but it would appear that the former tasc is levied at the rates for the 3rd or 4th sort. Some of the Amildars say that no further relief is needed while others recommend it.

2. The Statement herein enclosed shewing the house and loom tasces levied in the several Minor Municipalities shows that while

concerned pay a

tax of 2821 Rs: they pay a loom tax of Rs 39$\frac{3}{5}$. Thus the loss to the Municipality by the abolition of the loom tax entirely will amount to Rs 1114 and this is distributed over 17 Municipalities. Thus the loss is insignificant and will, to a certain extent, be made up by the Revision of the tax on the houses in the assessment, some concession has now been made in consideration of the double tax now paid. Further, the richer men among the weavers, weave on their own account and sell their manufactures. The portion of their houses used for the custody and sale of cloths may be assessed as shops, this class of shops are liable to a high rate of tax. Thus the loss will be hardly any thing to speak of while the relief to a class of petty handicraft men, who live in a chronic state of poverty will be most welcome

For these reasons, I beg to recommend that the loan tax may be abolished in the Minor Municipalities.

3. I shall send a separate Report as President of the City Municipality in regard to that large Municipality, which requires special treatment. The question has to be considered by the Board at a meeting, as the loss involved is considerable.

Sir,

With reference to para 4 of the Government Proceedings No. 5815-24 / L.J. 168-93 dated 2d October 1894, I have the honor to report as follows:-

2. At Chikmagalur there are only four persons who are taxed at full rates for both loom and house, and no concession was shewn them.

3. At Tarikere and Kyjampúr both loom and house taxes are levied leaving out those portions of houses occupied by looms in valuing houses for tax.

4. At Kadur there is only one loom. When the taxes were imposed on him - he had his loom outside his dwelling-house. So both were taxed!

At

At Birúr, Jedahalli and Sringeri there are no loans at all

6. The Vice President of Tarikere and Ajjampúr reports that no relief is called for on Tarikere, and Ajjampúr as the portions of houses occupied by loans are exempted from House tax

7. As the No: of loans in Chikmagalúr and Kadúr is very small, the weavers have not complained against the levying of both taxes The Statement called for is herewith submitted.

Adverting to para 4, of Government proceedings No. 5815-24-27, 2nd October last, and subsequent reminder, calling for report as whether the Weavers in the Municipalities of this District, are required to pay both the loom and house taxes &c., I the honor to state that the replies from the Vice Presidents, of the Municipalities of the District proper, show that in the municipally rated Municipalities, where only looms exist, both the taxes are being levied, and no reduction is allowed in the loom tax rate.

The amount collected from the Weavers on account of the house tax is very much less, ranging from 1/3 to 1/6, than that due from looms, and it may be gathered from this fact that only a low rate of house tax is collected in

2. A Statement Shewing the two taxes levied is submitted as directed, from which it will be seen that the loss in income excluding the two looms (kept Separate) amounts to Rupees 5 d- d- 0, if only the loom tax is levied. The weavers as a class deserve relief; and it would be good if the loom tax could be abolished altogether. Till then, the reduction of the house tax, Small though it be, will be felt as a Slight relief.

Sir,

Referring to ~~the~~ Government Proceedings no $\frac{5-815-24}{L.F.\ 168-93}$ dated 2nd October 1894 requesting submission of information regarding the levy of both the House and Loom taxes, I have the honor to state that under the old mohatarfa rules either the house or loom tax whichever might be higher was levied but in case of the loom being located in a rented house ~ the house tax from the owner and loom tax from the weaver were generally levied in the mysore city.

After the receipt of Government ~ Proceedings no $\frac{940-2}{95}$ dated 22nd April 1896 a uniform rate of Rs 2/- per loom has been levied but formerly in case of persons ~

persons possessing several

on the 1st and Rs 2/- on the others was levied.

Although para 3 (II) of Chief Commissioner circular no S-816-87 dated 2nd February 1880 directed the levy of the house tax on all houses without exception the old practice of exempting the houses of weavers paying loom tax has been continued in force.

A statement shewing the two taxes levied and the sacrifice of the revenue involved in levying only the higher of the two taxes is herewith submitted. It will be seen therefore that the [illegible] amounts only to Rs 94/-

SIR,

Referring to Government Proceedings No. 5815-24 / L.T.168-93 dated 2nd October 1894, I have the honor to submit herewith a Statement shewing the House and Loom taxes levied in the Bangalore City and to state that there are 1283 weavers who pay both the taxes. There are 1277 looms taxed at Rs. 2/- each and 3318 taxed at Rs. 1/4- each. The total amount of loom tax paid by them is Rs. 6701/8- They at the same time pay a house tax of Rs. 2419/-

2.- The subject was placed before the Commissioners at an ordinary meeting held on Thursday the 26th Ultimo and they

Resolved

resolved in consideration of the fact that most of the weavers had small gain and were almost living from hand to mouth, that the loom tax be abolished though it was by far the higher of the two taxes. A copy of their resolution is enclosed for information.

3. With reference to para 2 of Your docket No. 4336 / L.7.168-93 dated 26th September 1896 I submit that it appears that the instructions contained in para 3 of Government Proceedings under reply with regard to the levying of the House or Loom tax whichever was the higher was not given effect to. On enquiry I understand that the matter was deferred in View of the loss that would accrue to the Municipality which had to be considered and the subject never came before the Board until the last Meeting of the Commissioners.

4. The petitions received with the Proceedings under reply are herewith returned.

6. Government Proceedings No. 5815-24 L.T. 168-93 dated 2nd October 1894, regarding the giving up by the Municipality either the House tax or the loom tax instead of levying both, and directing that pending final orders on the subject the house tax or loom tax, whichever might be heavier, may be levied but not both.

Resolution.— That the loom tax be abolished and that, as it is understood the assessment on all weavers' houses has been lightly rated steps should be taken to have a special revision of such houses at an early date.

Mr. Gangiah disagrees with the above and is in favor of the abolition of the house tax and retention of loom tax.

To,

The Secretary to the
Government of Mysore
General & Revenue Departments.

Sir,

I have the honor to report that in giving effect to the orders contained in Government Proceedings No. 1171-21 F.T. 150-96 dated 31st July 1897 abolishing the Loom-tax throughout the Province from 1st July 1897, the question has arisen whether the owners of looms in non-municipal towns and villages should not be subjected to house tax and I beg that definite instructions may be issued in the matter.

2. In the note at the end of the Table of Mohatarfa taxes issued with the late Commissioner's Official memo No 265 dated 28th September 1860 printed

at pp 118 and 119 of the Revenue Manual 1886, it is stated that persons paying house-tax are not required to pay loom-tax and vice versa. From this it is plain that the Government intended that only one tax – either house or loom – and not both, should be levied from one and the same person. Now that the loom-tax has been abolished, it naturally follows that house tax should be levied, provided the individual concerned is one liable to it under the existing orders. In this view, all weavers are liable to house tax though some of them own lands. Their primary occupation is not agriculture and they are therefore liable to pay house-tax. In support of this view, I may quote the orders issued in 1860 on the revision of the moholatsfa taxes, wherein it is distinctly stated that though professional persons may carry on agriculture, such pursuit could only be considered as auxiliary to their profession and that they should therefore be subjected to the payment

authority, some cases of hardship have
arisen. The house tax now imposed, varying
as it does with the valuation of the house,
has, in a few cases, exceeded the amount
of the loom tax the owners were paying hitherto.

2nd and 3rd classes and are thus liable to
a tax of Rs 6 and 5 per annum. In cases
in which only one loom existed for which
a loom-tax of but two Rupees was paid
hitherto, the new house tax of double and
treble that amount must of course
be felt as a hardship. The rise in the
value of houses since the date of the
issue of the orders above cited acts
as an important factor in creating

the hardship above mentioned. Houses
valued at Rs 50/- in 1860 are now worth
at least 3 times that sum. And in now
adopting the scale of valuation fixed 35
years ago, a tiled house then worth Rs 40/—
which used to be classed under Class IV and
be subjected to a tax of Rs 2/- now comes under
Class II as its present value is Rs 120/- and
has to pay a tax of Rs 6/- To prevent the
hardship arising from this anamoly, a
new scale of valuation has to be laid
down for general adoption and until
this is done, I beg to propose that it may
be laid down that the house tax now
to be imposed upon weaver's houses —
shall in no case exceed the amount of
boontax the owner was paying hitherto.

ਸਮੀਕਰਨ

ਕਿਸੇ ਸਮੀਕਰਨ ਵਿਚ ਪ੍ਰਯੋਗ ਕੀਤੇ ਗਏ ਚਲ ਦੀ ਵੱਧ ਤੋਂ ਵੱਧ ਘਾਤ ਨੂੰ ਉਸ ਸਮੀਕਰਨ ਦੀ ਕੋਟੀ ਕਹਿੰਦੇ ਹਨ। ਜੇਕਰ ਕਿਸੇ ਸਮੀਕਰਨ ਵਿਚ ਚਲ ਦੀ ਵੱਧ ਤੋਂ ਵੱਧ ਘਾਤ n ਹੋਵੇ ਤਾਂ ਉਸ ਸਮੀਕਰਨ ਨੂੰ n ਕੋਟੀ ਦੀ ਸਮੀਕਰਨ ਕਹਿੰਦੇ ਹਨ। ਜਿਵੇਂ ਕਿ ਇਕ ਚਲ ਵਾਲੀ ਸਮੀਕਰਨ ਦੀ ਕੋਟੀ ਇਕ ਹੁੰਦੀ ਹੈ ਅਤੇ ਇਸ ਨੂੰ ਇਕ ਕੋਟੀ ਦੀ ਸਮੀਕਰਨ ਕਹਿੰਦੇ ਹਨ। ਦੋ ਚਲਾਂ ਵਾਲੀ ਸਮੀਕਰਨ ਦੀ ਕੋਟੀ ਦੋ ਹੁੰਦੀ ਹੈ ਅਤੇ ਇਸ ਨੂੰ ਦੋ ਕੋਟੀ ਦੀ ਸਮੀਕਰਨ ਕਹਿੰਦੇ ਹਨ। ਤਿੰਨ ਚਲਾਂ ਵਾਲੀ ਸਮੀਕਰਨ ਦੀ ਕੋਟੀ ਤਿੰਨ ਹੁੰਦੀ ਹੈ ਅਤੇ ਇਸ ਨੂੰ ਤਿੰਨ ਕੋਟੀ ਦੀ ਸਮੀਕਰਨ ਕਹਿੰਦੇ ਹਨ। ਇਸੇ ਤਰ੍ਹਾਂ ਹੀ ਹੋਰ ਸਮੀਕਰਨਾਂ ਬਾਰੇ ਜਾਣਕਾਰੀ ਪ੍ਰਾਪਤ ਕਰੋ।
